## Quadruple Grids – Clearing Your Personal Space

### QUADRUPLE GRID TECHNIQUE - Personal

This procedure is designed to clear your fields of energetic junk. We request the following groups of Light beings to assist with their specific functions:

**Legions of Michael:** grid level one spherical around me.

**Grace Elohim:** grid level two spherical around me.

**Ze'Or Continuum:** grid level three, spherical, around me.

**Circle Security:** grid level four, spherical, around me." Feel the spherical grids form around you.

**"Grace Elohim,** please spin your grids spinning out astral entities, shame, guilt, mistrust, shock, trauma, stress, unworthiness, anxiety, fear, rejection, sacrifice, separation, abandonment, fear unforgiveness, helplessness, depression abuse, addiction, illness, jealousy, stray electromagnetic frequencies, fear, disharmony, anger, sadness, loneliness, scarcity, adverse astrological influences, expectation, frustration, viruses, funguses, bacteria, worry, astral distortions, miscommunications, enemy patterning, stray electromagnetic frequencies, effects of the Morphogenetic, Geopathic, Astral and Octaval fields. Please release anything that has not been mentioned in this or any other language, but which you Spirit knows need to leave. *(Fill in whatever is needed according to your situation)*. When the clearing feels complete continue with, **"Reverse spin, same stuff."** When it feels complete, end with, **"Stop spin, Thank you."**

You will feel the field spinning in one direction and lots of energy residue leaving it. Wait for field to completely clear. It will then slow down. When you feel, it is done say:

**"Reverse spin same stuff"**

You will feel a pause as the field changes direction. Let it run until it has cleaned out the remaining energy then say: **"Stop spin thank you."**

**"Legions of Michael** please infuse your grid with the energies of Grace, Purity, Hope, Faith, Liberty, Peace, Harmony, Mercy, Rapture, Love and Victory Elohim, love, intimacy, the Unified Chakra, clarity, full connection to Spirit, tolerance, clear communication, health, abundance, following Spirit without hesitation, mastery, sovereignty, serenity, centeredness, living Heaven, joy, wisdom, groundedness, stability, focus, surrender and anything else that hasn't been mentioned in this or any other language, but which you know needs to be in the space at this time."

When the field feels full of all the infused energy say: **"Seal Grid thank you."**

**"Ze'Or Continuum;** please set your grid for harmonization and optimization of electrical, magnetic, and gravitational frequencies. Please ensure that my fields remain harmonized with all of the electronic and mechanical devices in my space, and that I and the devices in my space remain harmonized in frequency with any electromagnetic surges, ley-line activity, Schumann Resonance, and any other electro-magneto-gravitational events and conditions occurring in this area. Thank you."

**"Circle Security,** please realign and harmonize with upper dimensional gridworks clearing all parasites and distortions off the Grids. Infuse frequencies of Clear Communication with Spirit."

**"Circle Security,** please realign and reharmonize with upper dimensional gridworks clearing all parasites and distortions off the grids. Infuse frequencies for clearer communication with Spirit." **"Seal Grid thank you."**
